

# Material Safety Data Sheet

## OCI® ORGASIL 2000 MULTIPURPOSE SILICONE SEALANT

### Section 1 : Product & Company Identification

Product Name:	OCI® ORGASIL 2000 MULTIPURPOSE SILICONE SEALANT		
Company:	OCI MATERIAL PRATAMA		
	<b>Office</b>	<b>Factory</b>	
	Altira Office Tower 38th Floor. Altira Business Park Jl. Yos Sudarso Kav 85. Jakarta 14350 – Indonesia Telephone : +62-21 2188 2000 Fax : +62-21 2188 2002	Jl. Inti Raya Block C-4 Kav 2-3 Hyundai – Lippo Cikarang 17550 Bekasi, Indonesia	

### Section 2 : Composition/Information on Ingredients

Chemical Name	CAS No	R-phrases	Hazardous substances
Hydrotreated middle petroleum distillates	64742-46-7	R65	Xn Harmful. R65 Harmful. May cause lung damage if swallowed.

### Section 3 : Hazards Identification

- Most important Hazards : Not Hazardous.

### Section 4 : First-Aid Measures

Skin Contact	:	Remove from skin and wash thoroughly with soap and water or waterless cleanser. Get medical attention if irritation or other ill effects persist.
Eyes Contact	:	Immediately flush with water for 15 minutes.
Ingestion	:	Seek medical advice immediately.

### Section 5 : Fire-Fighting Measures

Suitable extinguishing media	:	Water spray, foam, CO2, dry chemical
Unsuitable extinguishing media	:	-

## OCI® ORGASIL 2000 MULTIPURPOSE SILICONE SEALANT

### Section 6 : Accidental Release Measures

- wear proper protective equipment, wipe, scrape or soak up inert material and put in a container for disposal, wash walking surfaces with detergent and water to reduce slipping hazards.

### Section 7 : Handling & Storage

Handling	:	Ensure good ventilation during processing.
Protection against fire / explosion	:	General rules of fire prevention should be observed.
Storage	:	Keep container tightly closed and dry. Store in a well ventilated area and away from oxidizing materials.

### Section 8 : Exposure Controls/Personal Protection

Ingredients	:	CAS No.	:	Exposure Limits
Hydrotreated middle petroleum distillates	:	64742-46-7	:	Observe oil mists limits. OSHA PEL (final rule) and ACGIH TLV: TWA 5 mg/m <sup>3</sup> ; ACGIH STEL 10 mg/m <sup>3</sup>
Industrial hygiene	:	When using, do not eat, drink or smoke		
Hand protection	:	Suitable protective gloves		
Eye protection	:	Protective goggles		
Inhale protection	:	Use in well ventilated areas		
Skin Protection	:	Well fitting clothing		

### Section 9 : Physical & Chemical Properties

• Form	:	pasty
• Colour	:	translucent white
• Odour	:	Acetic acid odour
• Melting Temperature	:	not determined
• Boiling Temperature	:	not determined
• Flash point	:	100° C ( closed point )
• Freezing point	:	not determined
• pH Value	:	not determined
• Density ( 20° C )	:	not determined
• Solubility in water	:	not determined

## OCI® ORGASIL 2000 MULTIPURPOSE SILICONE SEALANT

### Section 10 : Stability & Reactivity

Hazardous decomposition products :	Silicone dioxide, Formaldehyde, Carbon oxides and traces of incompletely burned carbon compounds.
Hazardous reaction : C115	No dangerous reaction known:

### Section 11 : Toxicological Information

Acute oral LD50 ( mg/kg ) :	Unknown
Acute dermal LD50 (mg/kg) :	Unknown
Acute inhalation LC50(mg/l) :	Unknown

### Section 12 : Ecological Information

Avoid uncured product will come in the environment

### Section 13 : Disposal Considerations

Dispose in accordance with federal, state and local legislation.

### Section 14 : Transport information

- **ADR** : Not regulated as dangerous good.
  - **IATA** : Not regulated as dangerous good.
  - **IMDG** : Not regulated as dangerous good.
- Transport in bulk according to Annex II of MARPOL 73/78 and the IBC Code** : This product is not intended to be transported in bulk.

### Section 15 : Regulatory information

Labeling (EC )	Proposed Classification : Not hazardous. Phrases : Not hazardous Phrases : Contact with skin and eyes. In well-ventilated areas.
----------------	--

### Section 16 : Other Information

The information contained in this Safety Data Sheets is based on our present state of knowledge and experience and it provides guidance on health, safety and environmental aspects. We do, however, pass them on without any warranty or property assurances.
